TESTIMONIALS

What brought you to Oak Grove?

"The teachers, small class size, small school community, kind staff, and God-centered education."

"The teacher-to-student ratio is wonderful and provides many opportunities for our child to get one-on-one time with the teacher throughout the day."

"When we saw how children from older grade levels treated the younger kids and guided them, as well as the environment of the school and the faculty, we knew we would enroll our children from K-12."

What keeps you at Oak Grove?

"The spiritual growth, the respect and love taught towards classmates and teachers and the academic growth."

"My child loves to go to school. Watching her continue to grow mentally, spiritually, and socially has been an amazing journey."

"A strong culture regarding a commitment to the school's mission permeates all aspects of the school. (The) feeling of community and family was deeply ingrained throughout the culture and the operations of the school. Parents spoke passionately about the experiences their children have, especially when it comes to faith and the teachings of Jesus Christ. Some parents were brought to tears as they described the joy they feel when they hear their children talking about faith, service, helping others, and what it means to be a Christian. Parents spoke of how paying tuition and other sacrifices made are all worth it when they see these things instilled in their children."

MEET TIMBER

Meet our school mascot, Timber, the Grover. He's strong, resilient and the most well-known lumberjack in town.

Our Grover mascot was given an official name in 2022 that not only means "wood" but "stronghold", "foundation and progression".

Timber will be the icon for Grovers that continue the century-old tradition of finding their stronghold and foundation in Christ and developing their faith through experiences in academics, athletics, fine arts and organizations that represent Oak Grove.

Go, Grovers!
